

Country: Indonesia

- Visa:
 - What is the process to get a visa? You can get a visa on arrival that allows you to do things like attend and teach at conferences and attend business meetings. The cost is \$35 USD. As you get off the plane, look for the sign that says, "Visa on Arrival" They prefer exact change. (you can get a tourist visa for free, but you are not supposed to do anything but touristy things with that one. Better to pay the \$35)
 - Travel with at least one 2x2 passport photo
- Local Contact:
 - Is there a local contact that will need to be referenced on the visa application? N/A
- Medical:
 - Are there any shots needed to travel to this part of the world? I would recommend typhoid.
 - You are encouraged to visit www.cdc.gov for the most up to date travel info.
- Clothes:
 - For Men:
 - What is socially acceptable and expected apparel for men? For teaching, long pants and a nice shirt. Shorts are acceptable for off time.
 - For Women:
 - What is socially acceptable and expected apparel for women? Capris, pants and skirts are accepted everywhere. In the bigger cities ladies can wear shorts. No tank tops.
 - What is socially acceptable and expected footwear? Flip Flops, sandals, tennis shoes
- ***Make sure to check the local weather before you travel! Anywhere in the world can be chilly!***
- Things to bring:
 - It is always good to have a copy of your passport, especially while traveling.
 - Refillable water purification bottle
 - We recommend this one: <http://shop.camelbak.com/all-clear-bottle/d/1208>
 - Bug Spray
 - Snacks (protein bars, trail mix, candy bars, etc).
 - Tylenol/Aleve, pepto bismal, Imodium, Vaseline, and other seldom used but useful when needed medications.
 - Food could be spicy: bring antacids if needed.
 - Towel and washcloth although these will likely be supplied.
 - Umbrella, especially in typhoon season (July-September)
 - A small ziplock bag of laundry detergent in case you need to wash clothes.
 - A rubber sink stopper/plug for bathroom sinks in order to shave or wash clothes.
 - Small LED flashlight: a must!
 - A small power strip (250v) is handy and electrical adapter is required.

- Do not bring 110 volt appliances, such as hairdryers, they will not work unless you also bring a "step down" transformer. See this website for more information:
